

## PURELL® Foaming Hand Sanitizer

Kills 99.99% of most common germs that may cause illness. Works in as little as 15 seconds. No water or towels needed. Rich, gentle aerosol foaming formula. Unique 15 oz canister can be placed on a shelf or used with the PURELL APX™ Aerosol Foam Dispenser.

Healthcare Personnel Handwash formula. Dermatologist tested. Fully ADA compliant. A highly effective antimicrobial agent that provides broad-spectrum antimicrobial activity against Gram negative and Gram positive bacteria, including antibiotic-resistant organisms MRSA and VRE. Reduces the risk of healthcare-acquired infections by helping to protect against a wide range of germs that may cause disease; can be used to supplement handwashing and when soap and water aren't readily available. Reduces skin irritation caused by frequent washing and gloving. Helps meet OSHA Bloodborne Pathogens Standard designed to protect against health hazards related to occupational exposure to body fluids, bloodborne pathogens, and other potentially infectious materials. Only need 3 grams of product for effective hand sanitizing. CHG and latex compatible. Dye-free.
